**RE: Your Ref: xxxxxxxxxxxxxxxx**

Dear Kimberely McIlqham – Roads Policing Support Manager

Thank you for your letter dated 29 sept 2023 Unfortunately.....you are mistaken. And not only this, but you are getting yourself in a spot of trouble. Let me explain:

1. You have addressed the Letter to **MR [CAPITOL LETTERS]**. Dog Latin is the use of capitalised wording and its used mainly to create joinder in an instance like you and I are in right now, between a living breathing sovereign man, or woman, by duping them to believe that they are their ‘Legal Fiction’ i.e. their name in **BLOCK CAPITOLS**, or a ‘Dead Entity’ who died, lost at sea age 15yrs 9 months old (when we receive our National Insurance Number – I think I said this in my last letter? Did you not read it?)

2. Then we have the fact that you **YOURSELF/s** are breaking the Law in trying to get me to lay claim to a **LEGAL FICTION**.....? I don’t know what that carries? I know that ‘impersonating a police officer’ is 7 years in prison, im not sure about Legal Entrapment? Il look into it for you. “Asking a man or a woman to lay claim to a Legal person’s name is ‘Legal Entrapment’, which is unlawful and a crime”

3. The “Road Traffic Act 1988” **IS NULL AND VOID** since the 1st January 1973 when Heath & Thatcher took us into the EEC. This was an Act Of Treason and in doing so The Queen was no longer the Monarch, she became the Head of a Corporation. So now by default, every Act of Parliament, Statute or Policy is NULL & VOID, and every court in the UK is acting in Treason. Treason is STILL punishable by Death. See Government document ‘**FCO 30/1048**’ Kimberley – you say that the magistrates (who I will have arrested in court) have the power to impose a “mandatory victim surcharge”..... ‘Mandatory’ in Blacks Law ‘court-lingo’ means ‘**May**’ i.e. its ‘optional’. Like ‘**Mandatory** Face Covering’ is also an option, as is **Mandatory** Vaccination.....all optional. So il opt out of any optional payments, thanks. please explain:

A: Who the Victim is??

B. why **DID YOU FAIL AS A POLICE CONSTABLE, TO PROTECT THE PUBLIC FROM A NOW PROVEN DEADLY BIOWEAPON CREATED BY DARPA IN 2015?** YOU, ‘love’ are **GUILTY**, and you failed in your Oath **TO PROTECT THE PUBLIC**, and you **AIDED** and **ABBETED IN A TREASONS ACT/S, AND YOU ARE NOW TRYING TO OBTAIN MONEY BY DECEPTION**....+ **Malfeasance/misfeasance and Nonfeasance in Public office**. There are more crimes you are guilty of and I am researching these now for **YOUR** court appearance. So....I am not the person you have written to, but knowing your next stage of the scam is to take action within if the **LEGAL FICTION** fails to reply, so I’m humouring you. My name is: Mx :Name-middlename-middlename: Surname} Written Exactly as above. Please can I ask you to only address me with my real name as above, complete with hyphen & colons on all further & future correspondence. I’m not being pedantic, its how I am to be Lawfully addressed by everyone, not just you guys. Any further correspondence from you with my incorrect name on it i.e in **DOG LATIN** or

incorrectly presented pronouns of 'MR', will be returned to sender as it is not postal mail addressed to me and therefore of no concern to myself whatsoever, regardless of your threats of Unlawful treasonous & fraudulent Acts/Statutes /Policy's/ Points on licence's & courts. Also, the legal 'Owner' is the DVLA. So they can tell you when the car was purchased & any missing information on the form like the driver number (I don't know it?) and I don't have time to waste looking for it for a pointless & fraudulent exercise. Its filled out in blue ink as I do not use black ink in any Postal Mail, for any reason, ever. Magistrates Courts are also unable to communicate with 'The Living' if people are foolish/ignorant of the Legal Fiction they find themselves embroiled in, then they will inadvertently fall victim to the scam of associating themselves with their **LEGAL FICTION**. Its Unlawful and **YOU YOURSELF ARE BREAKING THE LAW IN ASKING ME** to do such. You must know this?? Surely???

Threats of Bailiffs: Illegal. I will have no joinder with any of them. Trust me I know my rights. **ADMINISTRATIVE COURTS ARE UNLAWFUL.....**See **HALSBURYS LAW. [15/12/2011 22:30:58] catherine.crossan1: Halsbury's Laws of England/ADMINISTRATIVE LAW (VOLUME 1(1) (2001 REISSUE))/1. INTRODUCTION/(1) SCOPE AND NATURE OF THE SUBJECT/1. Scope**. The Law is absolutely clear on this subject. There is no Authority for Administrative Courts in this Country and no Act can be passed to Legitimise them because of the Constitutional restraints placed upon Her Majesty at her Coronation. See The Coronation Oath Act 1688 This was confirmed by Lord Denning during the debates on the European Communities Amendment Bill, HL Deb 08 October 1986 vol 480 cc246-95 246 at 250: "There is our judicial system deriving from the Crown as the source and fountain of justice. No court can be set up in England, no court can exist in England, except by the authority of the Queen and Parliament" The Collection of Revenue by such means is Extortion & is an imprisonable Offence.

Also, So, ONCE AGAIN.....You are asking me to give you the name of the driver of the vehicle In Magistrates court when I get summoned, the Magistrate will be speaking 'Blacks Law', Not 'Oxford English'. **BECAUSE I KNOW THIS, I AM ALSO SPEAKING** Blacks Law, and not oxford English. We have to speak the same language to understand the text, yet conversing in real-time with a dead entity is going to be impossible. So please let me say again, that **DRIVING** in Black's Law Dictionary States:

**DRIVER**. "One employed in conducting or operating a coach, carriage, wagon, or other vehicle, with horses, mules, or other animals, or a bicycle, tricycle, or motor car, though not a street railroad car. A person actually doing driving, whether employed by owner to drive or driving his own vehicle. Wallace v. Woods, 340 Mo. 452, 102 S.W.2d 91, 97."

So how can I possibly give you the name of someone who was **NOT DRIVING**? Kimberly, you mentioned putting "members of the public at unnecessary risk...". How strange because everyone else knows that speed cameras are there to collect funds unlawfully from the public. And as for "unnecessary risk".....the actual people killing & maiming 78% of everyone CHILDREN included, RIGHT NOW with this Fake, & Lethal DARPA-created-Bio Weapon, are your employers and the NHS. The Vaccinated are expected to live no longer than 5yrs from vaccination date (if they got a real one) This is very much public-domain information now and cannot be falsely labelled as 'Conspiracy Theory'. There is **ALSO ENOUGH INFORMATION IN THE PUBLIC DMAIN FOR YOU TO INVESTIGATE THE CRIME/s**.

You should be perusing the people who coerced you into going along with this despicable and disgusting crime perpetrated against the public, by those they trusted. [Why are you not investigating Crimes Against Humanity being carried out in your own jurisdiction??.....](#) please can I ask? Or is that not in the public's interest? Or you feel bad investigating your bosses? All of this charade is to access my 'Cester Bond' in the 1st place (Cestui Que Vie Act of 1666), so everyone gets paid (the courts,

magistrates etc everyone's in on the scam), so the best thing is why not just go ahead and access it?.....Its my Bond, and I give you full permission to enter it and take yourselves out with Mr B J Harrington (your 33rd degree masonic paedophile friend) and get yourselves something nice.....on me. Saves all this silly letters and stuff. Go out let your hair down, take whatever you need out of my Bond & get yourselves a nice new frock each, and some 'lippy' for the nonce Harrington. Don't feel bad for me. I am usually this generous. And I greatly appreciate all the good work that the police do protecting us like standing up for "We The People" when the Government decide to try and coerce innocent well-meaning & hard working members of the public into taking a now PROVEN DEADLY BIO WEAPON inoculation for a fake 'Plandemic' and coercing them same people to also allow their own Children to be given a Death-Shot. But that's another story beyond the scope of this letter, but you pair might want to have a look at your Moral Compass's and start actually dealing with real crime as oppose to raising money for a bunch of murdering crooks. **I WANT A SUMMONS TO BE ISSUED— AND I WANT IT ISSUED TODAY SO I CAN GET INTO A COURT ROOM AND START HAVING MAGISTRATES ARRESTED BY THE COURTS THEMSELVES....THEN I WILL BE COMING AFTER YOU LOT, ONE AFTER THE OTHER AND I WILL HIGHLIGHT ALL OF YOUR CRIMES FOR THE PUBLIC TO SEE.** Please proceed with the Summons as soon as possible - Hopefully a member of the public will be able to sneak a recording of the humiliation the magistrate is going to go thru. The **WORLD CAN THEN WATCH YOU ALL SQUIRM.**

Warmest regards
