Your name and address

RE: YOUR REF:
URN/Case no:

Dear Prosecution Section Head 42081336Brewster.

I have attached the two previous letters to you regarding this case as I feel there has been misunderstood information on your part. Im not sure you understand what trouble you are getting yourself in Brewster? Proceed with the summons as soon as possible, I want to get this in front of a magistrate. I have told you TWICE now this is the 3rd time.

As for pleading? You can stick your joinder up your arse as there is, and will be **no** plea as there was no law broken – I proved that to you already , or did you not bother to read it? Please see enclosed cyps of my previous 2 letters to you in correspondence with this matter.

Hurry up with a court date.

Warmest regards

Mx :Leon-George: Sinclair
