

**1<sup>st</sup> letter to "Scottish Power" electricity company to query a bill now addressed to "Vacant Vacant" instead of myself. You can use anyway you want to query and ask for the original 'Contract' that you have with these fraudsters – there is no contract, so turn the tables on them as ask them to provide you with 'proofs'....such as the contract – this was my 1<sup>st</sup> query:**

Dear Sir/Madam

I am the occupier of:

'Appleton', Church Lane, Little Tey, Colchester, Essex CO6 1HX. I moved to this address in October 2020.

I have been away from the property since January 2021, leaving my mother here to house-sit.

I returned to this address on the 16th Sept 2022.

The most recent electricity bill has my address on, yet above the address it does not have my name, but says 'VACANT VACANT'.

this property has not been vacant since october 2020.

Why does it say 'VACANT VACANT' ?

please inform.

Many thanks & kind regards - Leon Sinclair
